

Goodness in a Cup 24-7 for Menu Ideas

Cafe, Bistro and Room Service could take advantage of this multipurpose soup made from dehydrated vegetables, oats, herbs and spices.

One packet serves 3 bowls of soup. Serve it hot directly or add additional ingredients to the soup during cooking. It can be used to add flavour and viscosity to soup, porridge, casserole and stew. Sprinkle or mix the soup ingredients to pasta, hot cooked rice or cool salad, either way it adds zest to a healthy and tasty meal.

Enjoy the soup in 4 tasty flavours – Hearty Vegetable, Tangy Tomato, Creamy Pumpkin and Tasty Chicken.
